

## Northern WI AHEC, Inc.,

a part of the national Area Health Education Center (AHEC) System, is dedicated to improving access to health care in rural and urban underserved communities in the northern thirty-eight counties of Wisconsin primarily through the education of present and future health care professionals.

NAHEC is a membership-driven, service-oriented organization.

Members include hospitals, clinics, nursing homes, public health agencies, home care agencies, service agencies, consumer groups, libraries, school districts, and educational institutions.
